

Wrap Up of Project Season

Friday, March 8, 2019

February has come and gone with its snowy, blowy winds and bitter cold. Teams working at our homes are returning from the sunny south.

I was privileged to accompany the Our Lady of Lourdes High School team to Dominican Republic. This group of 25 students and 3 chaperones was wonderful to work with in every way. Their school was excellently represented and they were exemplary ambassadors for FOTOCAN.

I was also in Mexico to scout for future teams to assist in the homes in Miacatlan and Cuernavaca with five of our seasoned project participants. We had a blast joining in the activities with the pequeños in various places around the home. We are hoping to have some projects ready for a team of 12-15 people next winter to work at the birth home of NPH.

The accomplishments of all of our projects will be revealed at our annual general meeting, which is scheduled for Saturday, May 4. Details appear here on the web site and in the spring newsletter which will soon be delivered to our membership.

Hope to see you all there! It promises to be rewarding in every way! Bring a friend or two!
